

Education and training support

Our commitment

NCCH is committed to supporting the continuing education and training of our tenants and their families. Programs have been created by NCCH that seek to ease the financial burden of education and training.

We believe that this is a way of further supporting our tenants and to help build the capacity of our communities.

NCCH Scholarships Program

NCCH introduced the *Educational Awards Scheme* in 2013, which has since been renamed the NCCH Scholarships Program. The Program is divided into the categories of Education, Sport and Creative Arts.

Successful scholarship applicants can use funds to purchase equipment, uniforms, education fees (such as excursions, school camps), supplies, as well as towards dance, music or sports lessons. The value of the categories is dependent on the category of the student. See the table below for information about the value of these awards.

Applications

To apply, all you need to do is complete an application form. Information packs are available from the NCCH website (www.ncch.org.au) or come into our office and collect a form during the application period each year. We run two rounds of applications each year. For further information, please contact NCCH Lismore office on (02) 6627 5300.

More information

For more information about NCCH's support for education and training, contact us on (02) 6627 5300.
